ORDER

Plaintiff Andrew Fields, III, a federal inmate proceeding *pro se*, filed this civil rights action against more than twenty-five defendants. (*See generally* Dkt. No. 1.) The case was conditionally filed, and Fields was directed to submit certain information—a statement of assets, a prisoner trust account report, and six months' worth of account statements for his prison trust account—to complete his request to proceed *in forma pauperis*. (Dkt. No. 2.)

Fields returned the statement of assets, and he returned a form with account statements for some of the required months, but he did not provide account statements for the months of July through September 2021, as required. Another order was entered directing that he provide that information. (Dkt. No. 4.) He then filed a motion explaining that he was housed at a different facility during those months and his current facility could not provide the documents. (Dkt. No. 5.) The court gave him an additional forty-five days to obtain the information from the prior facility or facilities where he was housed, and warned him that his failure to do so could result in the dismissal of this action without prejudice. (Dkt. No. 6.)

That deadline for responding has passed, and Fields still has not submitted the account information for July, August, or September 2021. Instead, he has sent a letter to the court in which he explains that he sent the form and a letter to his previous place of incarceration on

March 22, 2022, but had not yet received a response. The court construes his letter (Dkt. No. 7) as a motion for extension, and it is GRANTED. Fields will be given thirty days from the date of this order to obtain the account statements and submit them to this court.

Additionally, the court DIRECTS the trust officer at USP Canaan to complete and return to Fields within ten days of his request the enclosed trust account form, completed and signed, and to attach three months of trust account statements (from July through September 2021). The trust officer also shall treat this Order as an instruction to provide Fields with additional photocopying service loans to the extent necessary to provide certified copies of the requested trust account statements.

Fields shall then return the completed inmate account form and statements to the court within thirty days after entry of this order. FAILURE OF THE PLAINTIFF TO SUBMIT THE REQUESTED INFORMATION WITHIN THIRTY (30) DAYS MAY RESULT IN DISMISSAL OF THIS ACTION WITHOUT PREJUDICE. No additional extensions will be granted absent a showing of good cause.

The Clerk is DIRECTED to provide two copies of this order to Fields (so that he can send one to the Trust Officer at USP Canaan) and to provide him with another copy of the Prisoner Trust Account Report (docketed as Dkt. No. 4, at page 5).

It is so ORDERED.
